FOREWORD

As the school year once more draws to a close, and one class leaves high school never to enter as students again, that is the time for memories.

With this thought in mind, we, the Lincolnite Staff of 1947, present to the students, faculty, and friends of Lincoln Community High School the thirty-third edition of the high school annual.

May it recall to you the happy hours spent within the doors of Lincoln Community High School.

The Staff

DEDICATION

To the Freedom from Discrimination because of Race, Religion, or Nationality, we, the class of '47, proudly dedicate this thirty-third edition of the Lincolnite.

In the athletic events and other extra-curricular activities of our own school, one sees that a person of any race can find a place. The Easter program presented by the Religious Education council shows that people of all religions can work together to produce something worth-while. And what is this idea of one nationality being better than another? Aren't we all Americans, regardless of which flag the ship bringing our ancestors, flew?

If everyone, everywhere, could learn what we at LCHS have already learned, perhaps we would gain the peace that everyone wants.

MRS. SMALL

Quietly, peacefully, our long-time friend and co-worker, Anne T. Small slipped away, Monday morning, March 10, 1947. Death always comes as a shock, so it will take some time for us to realize that one who was so long among us, who was so vital, so virile, so compelling an influence in our school, is gone.

The teachers who have come and gone in these past years have each, given, I think, something of worth to their pupils, something that in the lives of these boys and girls will be well nigh immortal. In Mrs. Small's case, her great contribution came from her teaching of good citizenship, effective, because she typified in her own life the principles of good living through an intelligent and active interest in helping to make her own community a good place in which to live.

Her mantle falls on us. It is for us, then, to dedicate ourselves to keeping her memory green by carrying forward the high concepts of her work with the boys and girls of Lincoln Community High School these past 27 years.

"I cannot die! I shall come back, I know —
Perhaps in the serene intelligence
Of flowers under snow;
Or maybe in the first breath-taking sense
Of odor in the heather —
Some part of me will yet be blowing warm,
Alive in April weather."

— Gilbert Maxwell

BEHIND THE SCENES

BOARD OF EDUCATION

To the average student who comes to school every day, studies, and goes home in the evening, the thought never occurs of what makes the school run smoothly, and function systematically. The answer to this is the Board of Education. On the second Monday of every month there is a meeting to plan the school's programs, select the faculty, and pay the bills. These meetings are called Board Meetings, and the men present are known as the Board of Education. These men are selected by your mothers and fathers to direct the schools that are provided for by their taxes. They meet with Mr. Handlin who carries out the proposed programs. One of the latest considerations of the Board is the possibility of making an addition to the school building. Because of building supply shortages this plan is still in the blueprint stage, but it may someday become a reality. And if it does, it will be through the efforts of the Board of Education.

W. C. HANDLIN
Principal

LCHS faculty and students are proud to note that Principal W. C. Handlin has been with us for twenty-eight years. During this time he has helped and guided many students thru the formative years of their life and on to greater goals and higher achievements.

Mr. Handlin obtained his education at the University of Illinois, University of Wisconsin, James Miliken University, and Columbia University. He has liberally given to all of this knowledge.

W. C. Handlin

MISS ARMSTRONG

MR. BROWNE

THE DEANS

Remembered by every member of the senior class of '47 will be our patient and devoted Deans, Miss Armstrong and Mr. Browne.

Through their tireless efforts and eagerness to help us with our problems, we have become better students and citizens of tomorrow.

The students, the school, and the community can be justly proud of the work these two counsellors have done to help make us better men and women of tomorrow.

It is the custom of the executive committee to take charge of the concessions at all LCHS sports as well as decorating for their Junior-Senior prom. They also help with the Senior dance and the Baccalaureate Services.

This class combined with the Seniors for their Hallowe'en party, October 25th which took place after a football game. They also

planned and had the yearly Christmas party with the Seniors on December 10th.

On April 11, the Juniors and Seniors enjoyed their yearly prom. The gym was decorated as a tulip garden with a Maypole in the center of it. Balloons were hung from different places, and were pulled down during the dance. The chaperones were made up of the faculty.

Under the able direction of a new faculty member, Charles S. Harned, the band completed a successful year. The band played for football and basketball games, "pep" meetings, marched in parades, and presented a number of entertaining concerts.

To become a member of the concert band, you have to pass an entrance exam which includes playing scales in all keys, sight reading, playing a solo, and being able to interpret tempo and dynamic markings. All band members are third class musicians upon en-

tering. In order to become a second class musician you must be able to play exercises, scales, sight-read material of a more difficult nature, memorize a solo, write a five hundred word essay of the history of your instrument, produce correct intonation, and know all kinds of tempo and dynamic markings. After passing this, you are entitled to wear a chevron on your sleeve. Chair-play-offs are held at the beginning of the semester to determine each student's ability and his rightful place in each section.

CHORAL CLUB

The Choral Club, which meets on Tuesday and Thursday mornings from 8:10 until 8:40, is composed of girls selected from the Girls' Glee Clubs. During the year, they have given performances for many programs such as: Thanksgiving and National Education Week program — with the combined Glee Clubs, Christmas, Easter, and the Baccalaureate exercises. They also played an important part in the school's Operetta.

The group placed in Division I at the Sectional Music Contest held in Peoria in April and gained a Division II at State contest.

The boys' glee club, although a smaller group than in previous years, proved to be as entertaining and good as before.

Under the direction of Charles Harned, this group gained a Division I at Sectional Music contest in April and then went on to State contest to get a Division III.

The boys' glee club was combined with the Choral Club to form a Mixed chorus, which performed in the Big 12 Music Festival, and also sang at the Baccalaureate exercises.

GIRLS' SEXTETTE

One of the most active musical groups around school this year was the girls' sextette, which performed before many outside clubs, as well as for high school programs. One of the most interesting of these, perhaps, was the broadcast over WDZ in Tuscola. At the Sectional Music contest held in Peoria in March, the group placed in Division I, making them eligible to compete in the State contest in May. A Division II rating was awarded them there. Miss Margaret Hyde directed the group.

BOYS' QUARTET

Singing sometimes in true barbershop

style, and at other times making a hit by smooth rendition of the latest popular hits, the boys quartet gained much applause from everyone who heard them. Under the direction of Mr. Harned, the boys traveled to the Sectional Music contest to place in Division II.

STRING ENSEMBLE

Because of the small number of students interested in the stringed instruments this year, a string ensemble was formed by Miss Hyde rather than an orchestra. Although no public performances were made by the group, much valuable practicing was done and it is believed that next year, the quartet will be ready to appear publicly.

FUTURE TEACHERS OF AMERICA

A chapter of the National Future Teachers of America was organized in LCHS in February of this year. This is the first chapter of its kind in Logan County. The purpose of this organization is to prepare the student for the high office of teaching.

The chapter of the F. T. A. was installed in a special ceremony on February 24, 1947, and Miss Theresa Henneberry, sponsor, presented the charter to Phyllis Arthur, Pres. The local chapter has been named for Agnes Rourke Garretson and pays tribute to her fine qualities as a pioneer teacher in Lincoln.

The members of this association acted as student and substitute teachers this year

and aided in many other ways throughout the year.

Officers for the club are:

Phyllis Arthur	President
Barbara Beaver	Vice President
Joyce Laun	Secretary
Charles Kurtock	Treasurer
Don Borofsky	Historian
Arthur Ward	Parliamentarian
Earline Martin	Song Leader

As the class of "47" adjourns, we hope that these candidates prove to be both outstanding and beneficial to the honorable profession which they have chosen.

THE SPANISH GROUP

The Spanish Group is under the able direction of Miss Virginia Fairfield. The group-dressed in their colorful costumes presented many very entertaining programs. Their program consisted of group songs, duets, solos and dances. The group has presented its programs before Community Clubs, Women's Clubs, Men's Clubs, Central School and other organizations both in and around Lincoln.

NATIONAL HONOR SOCIETY

Using a new formal induction ceremony, the National Honor Society took 8 seniors into their midst on November 14, and 14 seniors and juniors on April 14.

Informal initiations, containing pranks which really tested a person's strength of character and ability to "take it" were held in December and May.

The main project of the group this year, was the sending of cards and notes to students who were ill.

Officers for the year were as follows:

First Semester	
La Donna Camel	President
Nancy McCullough	Vice President
Marilyn Augspurger	Secretary
Lester Williams	Treasurer
Second Semester	
Bruce Enselman	President
Dale Awick	Vice President
Norma Gehlbach	Secretary
Ronald Forrester	Treasurer

STUDENT COUNCIL

The student council, composed of the presidents, past presidents, and one other member of each class, held its organization meeting and elected the following officers:

President Lester Williams

Vice President Don Olsen

Secretary Norma Armstrong

Mrs. Alice Burke took over Mrs. John Small's position as advisor.

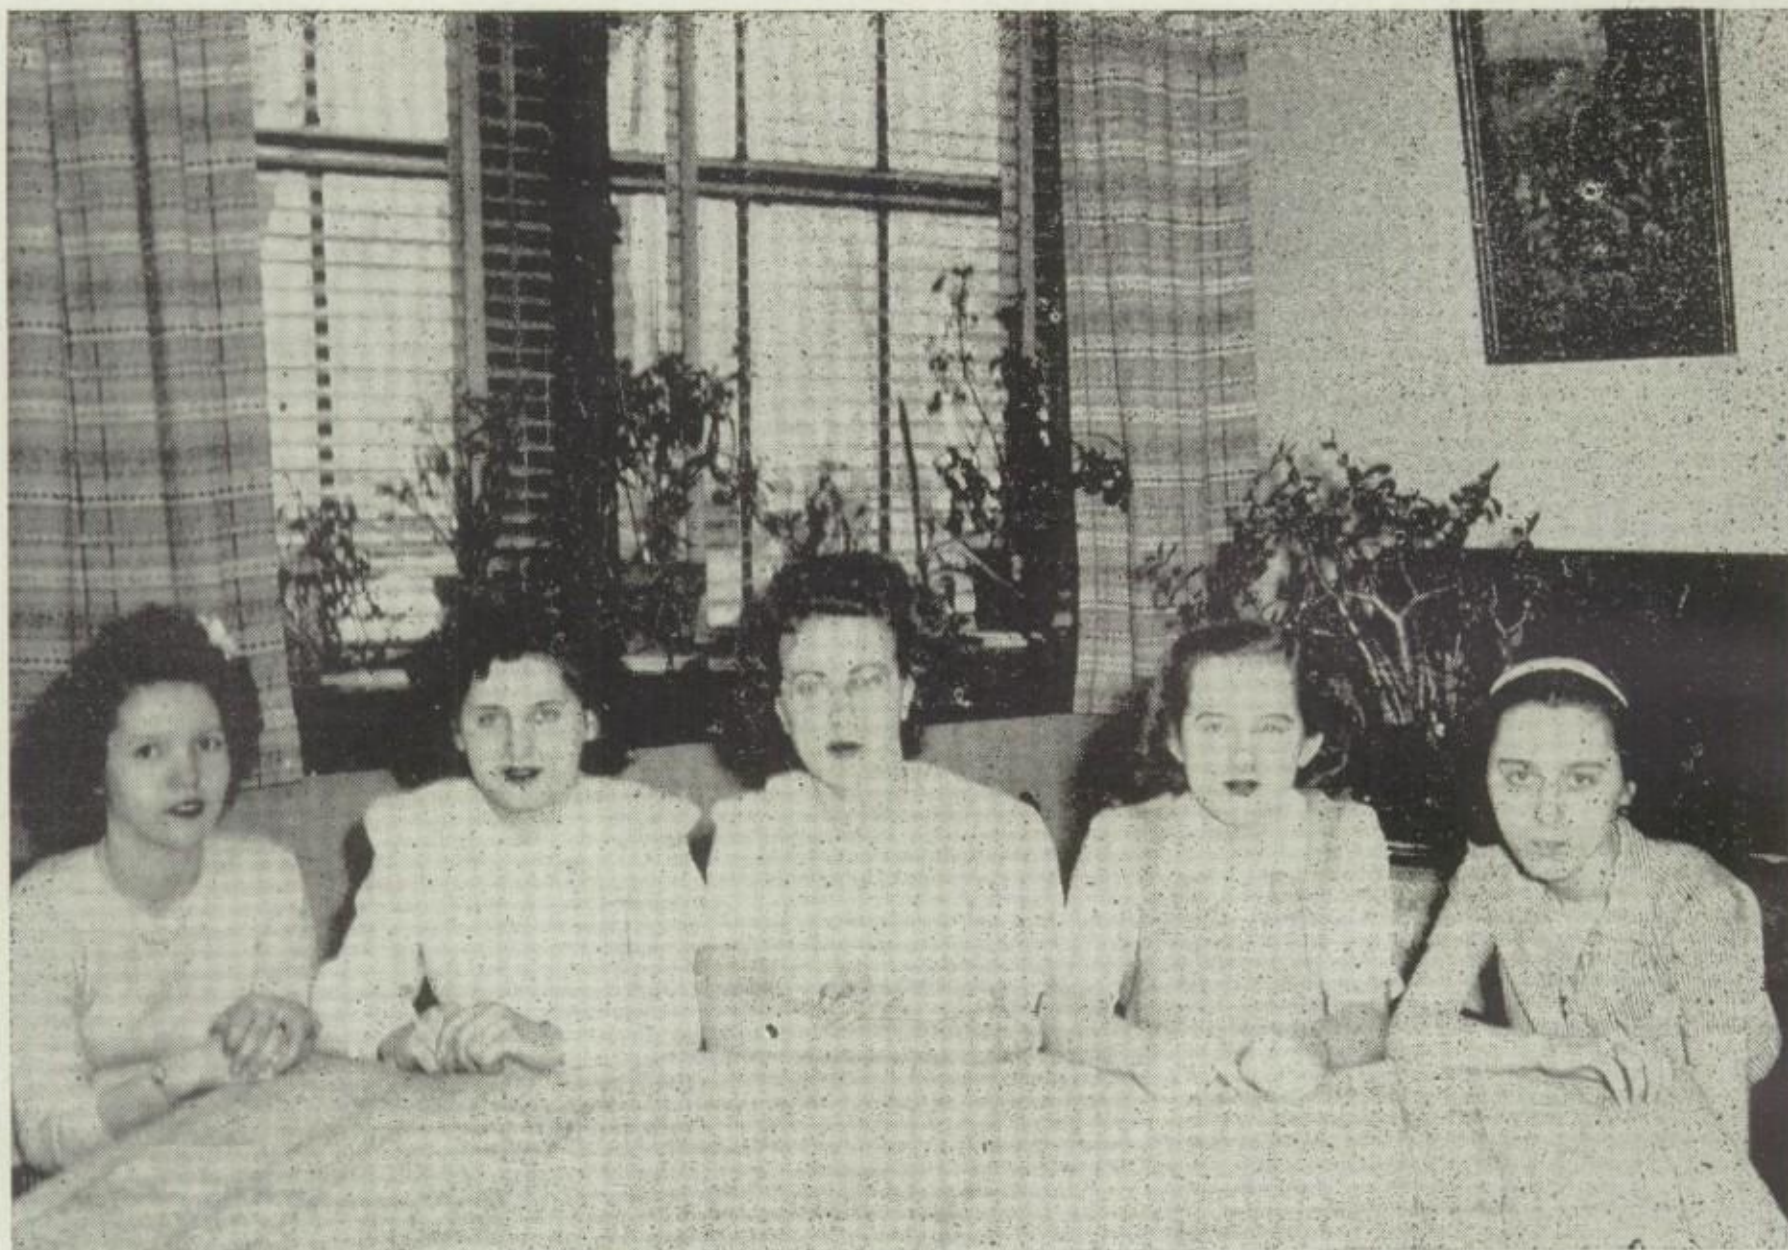

One of the projects of the group was the Foreign Relations plan, by which LCHS students who wish to write to students of other lands may obtain names and addresses for ten cents.

Student day is also under the auspices of the council. The principal and deans are elected by council, and teachers are elected by the pupils in the classrooms.

The council has also worked out a noon hour program in which the juniors and seniors can dance at noon and the freshmen and sophomores go to movies given in the different classrooms.

The council is now working on a "get acquainted day" which will go into effect next year.

FUTURE FARMERS OF AMERICA

Through the years the boys in the agriculture classes through the medium of the local F. F. A. Chapter completed several activities which were of educational value as well as making a contribution to the community. Early in the year, the group sponsored a rat abatement drive in which the students made available and distributed poison.

In the Sectional judging contests for the year, the teams placed 5th in grain, 6th in poultry, 8th in fat stock and 8th in dairy. In total points won in these contests, the LCHS boys placed 4th. Dean Folkes was the second highest boy in the fat stock judging contest out of a group of 110 judges and William Weingarz ranked 10th out of the group in dairy judging.

The boys anticipate the rewards which will be theirs as a result of successfully completing their production projects in crops and livestock during the next few months.

ANNUAL PLAY
"You Can't Take It With You"
 by Hart and Kaufman

The annual play, "You Can't Take It With You", a three-act comedy, was presented in the high school gym, November 22. This play represented the turmoil and confusion that took place in the Martin Vanderhof home

The play was so capably presented at this time that Scene I, Act I was entered into the Sectional contests where it rated first in Class A. This enabled the play cast to go on to the State contest where Phyllis Koyn was voted a member of the All State Play Cast.

THE SENIOR PLAY "KIND LADY"

by Edward Chodorav

"Kind Lady", a melodrama in three acts by Edward Chodorav taken from a story by Hugh Walpole, was presented May thirteen-the in the L. C. H. S. gym.

Henry Abbott, who with his undernourished wife and baby, wins the confidence of Mary Herries, a dignified, kindly woman in her late fifties, and succeeds in bringing his gang of thieves into the Herries home in Montague Square, London, England.

The crooks practically cut Mary Herries off from her friends by convincing them that she is abroad. They even frighten Miss Herries' life long servant, Rose, so badly, that she resigns.

Through the clever tricks of Henry Abbott, Mary Herries believes that she is becoming insane.

Meanwhile, not only has Henry Abbott

taken over the household and driven poor Mary Herries to the brink of insanity, but he also is stealing her rare, expensive collection of painting.

Mary Herries finally convinces Mr. Foster, who has come to buy some of her paintings, that Mr. Abbott is holding her prisoner and illegally selling her possessions.

THESPIANS

The Lincoln Chapter of the National Thespian Dramatic Honor Society initiated sixteen new members during the past year, which brings the membership up to a grand total of twenty-two. This shows that there are still many that are interested in dramatics.

The Thespian organization also sponsored the student directed play, "Glamour in the Poconos." This play was given twice, once for an assembly and once for Central School.

The officers for this year were as follows:

President	Jack Lauer
Vice President	Grace Mathein
Secretary	Mary Lou Mills

G. A. A.

The G. A. A., whichlong has promoted sports-
manship and loyalty among the girls, meets every
Monday and Thursday one hour after school.

The girls gain awards by obtaining 100
health points and 500 activity points. They gain
the activity points through gym class, after school
activity, and unorganized activity. In the fall they
held a picnic and at Christmas they had a Christ-
mas party with a gift exchange.

Their advisor is Miss Tallon.

INTER NOS

Approximately fifty students were members of the Latin club, which met on the first Tuesday of each month under the supervision of Miss Fairfield and Dr. Koch.

Outstanding events of the year were the Christmas party and the annual Roman dinner which was held in April.

Several members earned their pins by fulfilling these requirements: good attend-

ance, good grades in Latin, appearing on a program, and helping on a committee.

COMMERCIAL CLUB

The Commercial Club of LCHS, after a long period of inactivity, has become one of the most prominent organizations in school. The purpose of the club is to stimulate greater interest among students in commercial subjects. Besides promoting vocational interests, the club, through its recreational activity, boasts enthusiastic good fellowship among its members.

To be eligible for membership, students must have a "C" average in either bookkeeping or stenography, and are able to become a member only in the second semester of their first year.

Officers and Committees elected for this year were:

President	Norma Gehlbach
Vice President	Norma Jean Faul

THE JANITORS

We, the students of LCHS, consider ourselves fortunate in having such a co-operative group of janitors. Under the supervision of Charles Hirtman, who now claims a forty-seven year seniority, our janitorial staff has done more than its part to increase the attractiveness of our school.

Mr. Hirtman is assisted by Russell Rankin, who is completing his fourteenth year on the job, and Clarence Schrader, our war-time bus driver who transferred to his present position.

The night attendants are Ora Turley, a five-year man, and Alonzo Scott, a new comer to the group.

BUS DRIVERS

Fortune was with us, as the bus drivers were chosen from among many candidates. Our two bus drivers, Mr. Sam Zimmerman, who has been with us for six years, and Mr. Darrell Henson, a returned war veteran, have a great responsibility in getting the county students to and from school.

In order to help and keep order on the bus, each route has two well selected bus monitors. This year's assistants are: Ruth Aukamp, Marilyn Pettit, Mary Lou May, Mary Ann Wheeler, Mary Ann Gehlbach, Chan Fuller, Kenneth Ely, and and Rolly Barry.

We acknowledge the services performed by these splendid workers.

COACHES

Vic

Although LCHS didn't have a too successful year in competitive sports, the blame can not be dumped entirely in the coaches laps. So let's chalk up this season to experience, tip our hats to five great guys and get out and fight for a world-beating team next year.

MANAGERS

Seldom seen and even less spoken of are the managers who have done a fine job this year and deserve the whole-hearted praise of all LCHS fans.

FOOTBALL

Lincoln's 1946 football team had a rather rough season as the records go, but the spirit displayed by the LCHS gridders kept the fans cheering throughout a season featuring heavily favored foes.

A light, inexperienced, injury-ridden band, the local crew lost often, but was never upset. Outweighed in very game played, the Red and Green aggregation was outrun but not outlasted; outclassed but not outfought.

Lacking stars, a well-balanced lineup started each conflict. Bob Poole, tackle, and Bruce Enselman, back, were the only returning lettermen, and both missed several games due to injuries.

Fight and a never-say-down attitude were developed through much hard work on the part of the players and the coaching staff, consisting of Athletic Director Roy Anderson, with able assistance from William Hughes, J. O. Hodgson, Victor Baumgartner,

and Royce Lovelace. The sportsmanship exhibited is a tribute to our school.

Credit for providing the spark, goes to the seniors, Bruce Enselman, Ronnie Forrester, Bob Leckrone, Dick Maurer, Bob Poole, and Les Williams, who led the juniors through the din of their first season of varsity competition. The latter gained valuable knowledge and experience for use in the '47 season.

BASKETBALL

Withstanding the blows dealt by some of the top teams in the state, the Railsplitters produced thrills and favorable impressions even in defeat.

William Hughes, head basketball coach, performed marvels with an inexperienced squad claiming only one letterman, Bruce Enselman.

As the season advanced, vast improvements were obvious in our boys' performances before they were halted in the finals of

regional tournament by a strong Pulaski five. Again, the experience gained by this year's contenders should prove beneficial in the future.

LCHS extends gratitude and congratulations to Dick Aery, James Curry, Deane Doolen, Bruce Enselman, Ken Hurt, Eugene Mapes, Stuart McLean, Don Olsen, Warren Peters, Ron Ritchhart, and Tom Thompson for their hard, clean play and fighting, but sportsmanship spirit.

TENNIS

Under the able guidance of Royce Lovelace the LCHS net men have been going great guns. Don, Olsen, Jim Smith, Henry Lee, John McCullough, and Tom Underwood have made up this squad. Deane Doolen a very able netman has been absent from the courts most of the season due to illness.

Tennis in Lincoln is known as a minor sport, although it takes just about as much practice and work to develop into a good tennis player as it does in track, basketball, and football. So how about three cheers for these unsung heroes of the courts.

CHEERLEADERS

Let's have a big "Oske wow wow, Cheerleaders!" All right, let's go!!

The cheerleaders really deserve a big thank you, as it is their duty to instill pep into a sometimes listless crowd. They were always on the spot at all athletic events and all LCHS fans are proud of them.

BATON TWIRLERS

Bauer, B.; Routson, M.; Weindorf, B.; Biggs, M.; Mintjel, D.

Marching at the head of the band and performing between halves at the basketball games were the baton twirlers in their snappy red uniforms. In order to present their program, a great deal of practice was necessary and we think these girls deserve a special round of applause for the fine work which they did.

The Lincolnite staff wishes to thank

and all the photographers who helped make this
1947 Lincolnite one to be truly proud of.
